

Quarterly Report

Qtr **2**
 2017

Dear Fellow Members,

On behalf of the Board of Directors, Committees, Management and Staff, I would like to wish every member Imam-at Day Mubarak in this very special Diamond Jubilee year.

Congratulations to the winners of the 2017 Platinum Federal Credit Union Academic Scholarship Competition. The 28 winners this year, each at \$2,500, were from 5 States. The GA winners' awards were presented at the 17th Annual General Meeting held on April 23rd, which was very well attended. Thank you, members, for the excellent attendance, and a very successful AGM. You can check out some pictures on our Facebook page.

In celebration of the Diamond Jubilee, I would like to draw members' attention to one of our participatory activities, the Diamond Jubilee Savings Account, to help maximize member's potential contribution in a manageable and convenient manner, supplemented by PFCU.

In this 17th year, Assets of our young Credit Union have crossed \$90 Million. With over 65 Million in outstanding loans. Appreciations are due to our members, and the staff members that serve them, as we strive to continually improve our products and services to augment our growth. I trust many of you are already taking advantage of our third generation mobile App, just launched with the latest in mobile features.

Congratulations also to our CEO, Kabir Laiwalla, the recipient of the 2016 Professional of the Year Moses C. Davies Award. This award is presented each year by Georgia Credit Union Affiliates from among all the employees of all Credit Unions in the State of Georgia.

PFCU is also active internationally by participating in the GA League partnership with Association of British Credit Union League, in which PFCU has been partnered with London Mutual Credit Union to share best practices to help the credit

unions in UK get to the next level of serving their members. As we go into the Diamond Jubilee year, all at PFCU are looking forward to celebrating by working with our Institutions and Sister Organizations towards addressing the aims of bettering the lives of our members and potential members. This not only mirrors the underlying spirit of the credit union philosophy, but also the whole community from which our membership is drawn.

Sincerely,
 Kas Jinnah
